

## Lab Notebook

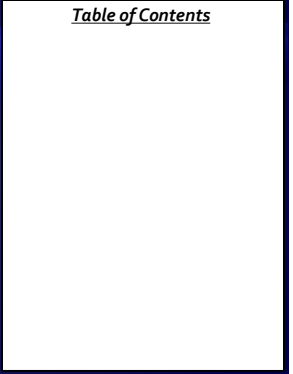

- Name & Class should be on outside front cover in pen
  - Period may be included, but is not necessary as it may change at semester

1

## Lab Notebook

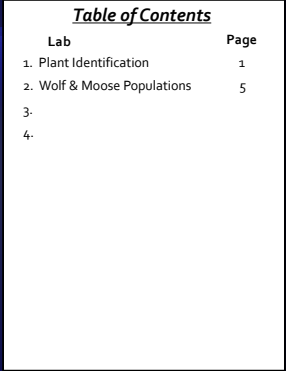

- First page must be a Table of Contents page
  - One page (front & back) will be plenty of space

2

## Lab Notebook

- Labs titles are to be added to TOC in order as they are begun with page indicated

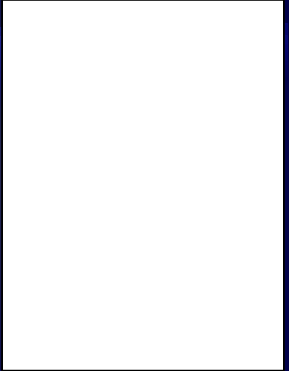

Lab	Page
1. Plant Identification	1
2. Wolf & Moose Populations	5
3-	
4-	

3

## Lab Notebook

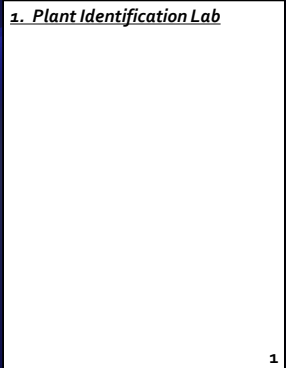

- You will only use the front (right side) of the pages
  - (The back of each page will remain blank for providing feedback)

4

## Lab Notebook

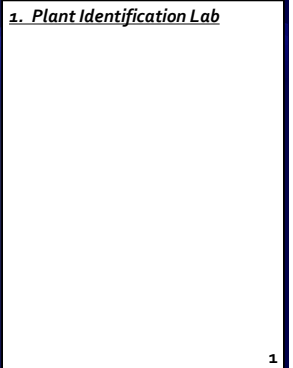

- Each lab should be started at the top of a new page, and begin with the lab title
- Pages should be labeled in bottom outer corner

5

## Lab Notebook

- All entries in your lab notebook should be written in pen
  - (Errors should remain present, but will be crossed out to avoid confusion with the desired data)

6

# Lab Notebook
